Palo Alto Networks is waiving the license key fee for VM100. You will not be able to get the license key for this trial. Mar 10, 2018 I have tried by following the process on pnvmttrial.com. But I can not get the license key for vm100. When I check the.json file that I have downloaded, I can not see the key that I should have been able to. What should I do to get the key. Free Trial ends early. Not enough time to get to that goal. Tried reading all the blogs posted but can not make out the key. A: The free trial starts on Feb 11th, 2018. That's 4 days from now. I believe you got caught after 4 days. Note: Not all offers require a credit card. Some don't. But they do require your address for shipping. Try to provide a fake name and address on the website you tried it at. I think you have to send an email to trial@paloaltonetworks.com regarding your test to get a free trial. The email must include your full name, a valid email address, and a request for the free trial. Q: Why the following code can do \*b = a\*a++ but not b = a+a++? Consider the following code: #include using namespace std; int main() { int \*b;
