there as Tata Iron and Steel Company. Subsequently, the company underwent a name change and called itself Tata Iron and Steel Limited in the year 1948. Tata Steel UK Limited was established by Tata Steel in 2002, and, till date, it produces rails for rail-bound freight and container traffic. With plans of acquiring high-tech companies in the future, the group decided to engage a professional services firm to improve its existing operations. Thus, Tata Steel established TCA in 2007, that helped them reduce administrative costs, enhance operational effectiveness and improve productivity. It also helped the group introduce large-scale social schemes and facilities in India. Tata Steel has a strategic partnership with the company Mercedes in China. The company also has operations in Australia, New Zealand, Thailand and Ukraine. In the year 2015, Tata Steel Singapore Pte Ltd was established to focus on the manufacturing and distribution of automotive and packaging products. In the year 2015, Tata Steel UK Ltd acquired the 25% equity stake in Steel Dynamics. Tata Steel also provides a strategic advisory services, besides several other business units. Tata Steel and Tata Chemicals merged operations, 0cc13bf012
