Become a racing charioteer and attempt to conquer the world. Select from a list of 35 different races and attempt to beat your opponents in the race to the finish line. Do you have what it takes?

Features:

- 35 different racing drivers: As the Emperor of Rome, you must choose your racing driver and attempt to prove your worth in each of the 35 unique races. You'll be able to select one of the 35 different "character classes" from which to pull a driver from. From delicate and wily women to gladiatorial murderers, you'll be able to find the driver that suits your playstyle.
- High quality graphics and dynamic lighting: This fan-made realistic, city-based, roman racing simulation lets you experience the Rome of your dreams. Beautiful detailed graphics and lighting, combined with physics-based physics, dynamic 3D lighting, and ballistics mechanics make this game a truly realistic experience.
- Dynamic trackside obstacles: Dirt tracks, hills, barricades and trees are all obstacles that you'll have to consider while racing around the track. Your chariot must be prepared for just about anything.
- Dynamic weather effects: Warm weather, rain, and thunderstorms will affect your race. Will you be able to maintain control of your chariot?
- Engine tuning: Race day is not a day to be taken lightly. You'll need to perform a balancing test each race and adjust the stats and engine on your chariot. Each race holds a unique set of challenges that you will need to take into consideration to win, so you'll need to adjust and tune your chariot.
- Hire and fire your staff: Determine your strategic course ahead of time, leaving no stone unturned. Once you've set your course, you'll have to hire and fire your staff and select your team wisely.
- Participate in the Grand Prix Race: You'll be able to race against your friends in an unofficial race. There will be special designated races in which you can participate.
- Multiplayer Matchmaking: Race against other drivers to determine your character's path in the great races! Participate in, and be ranked among, the top 3 drivers in the world!
- Daily Challenges: During your daily challenge, you'll be tasked to "make it rain," "rat

The greatest fantasy sandbox video game is back! Set in a richly detailed medieval Europe, players can take the role of one of hundreds of characters, from mighty emperors to petty noblemen and assassins. Crusade Kings 3 brings an all-new experience for the series. The original turn-based empire building gameplay of the RTS series is back with new graphics and a host of new features. The game is set in the year 1066, and the player takes on the role of a king – or queen – of a medieval kingdom. The main emphasis of the game is on the creation and management of your own personal empire, a richly detailed medieval world with fully interactive maps. Crusader Kings 3 is a historically accurate game, but with an added fantasy dimension. The world has been designed from the ground up to be as flexible and user-friendly as possible, allowing even the most seasoned player to build a unique and exciting fantasy experience. **PLAYER PROFILE RULES AND CONDITIONS** We want to keep the game balanced for all players. What's new:

and the Township of Cottesloe A recent Dominion Water report was not very encouraging to residents of the Seaside area of Cottesloe. It stated that the big rains seen this year may not mean a settled spell. The underground supplies are in good shape, it says, but the summer roughness is well entrenched. A considerable proportion of the electricity was used up by the (summer) bingo and fireworks parties. The [power] station admitted that the heavy use in midwinter would be fairly hard, to put it mildly, from them. They [the power company] would like this [major cutback in summer power for parties] to stop. More drinking and all that, and they would gladly produce more. Those Litter Pots One was given to the recreation ground of Cottesloe last year after the Easter bushfires. The Council are considering cleaning up beachfront packs, on Bark Mill Beach, and chase people farther down the beach. There have been a few complaints from outsiders, who consider it dirty. Were they hot enough for you? You will be singing 'o'er the hills of summertime' if you have been following the Byway readings. Kg Thayapians have relinquished Beyer Street, at the junction with Sport Street, North behind the BP Station. Just a few memorial benches, in memory of a family. Bertha M. Finnigan, the distinguished pianist, was elected secretary of the Local Council last night. You will be able to hear the little birds quite clearly this morning, after Mrs Albert Chamberlain, the lady who handles the piano, discovered that someone had smashed all the silver fish forks from the piano. After an exhaustive search, she found them lodged up in a hefty jug of Londonderry Water. No one seemed to know how they got there. Mrs Sinnott Tuesday paid a surprise visit to town. Turning into Brunswick Street, she found it totally deserted. She left her blue-painted Triumph to turn in the direction of her own home, partly down Park Street and partly down the foreshore, along the old single standing buildings. The rest of the afternoon, she had to search for gates which were politely opened by the good Mrs

In Icons: Combat Arena, the premise was simple: take iconic franchise fighting game characters and mix them into a free-to-play, console-quality platform fighter. Over the course of development, the roster was expanded to include a full variety of unusual characters. Fans of the genre will feel right at home with Icons: Combat Arena's roster and the community is supportive, full of good-natured banter and happy to have a place to voice their opinions. It was important for us to play a console-quality game for fun rather than microtransactions: and that's what we set out to build.
