Players will be able to play with friends for the first time ever, and adapt their FIFA Ultimate Team by allowing players to build a stadium, manage their clubs' finances and more. EA Sports introduces the fully connected FIFA experience, allowing players to build, manage and compete with their favorite teams as they progress in the 2019 FIFA Club World Cup. New Features for FIFA on Xbox One Take the new FIFA Story mode into the World Cup. FIFA Story is the new slice-of-life mode in FIFA on Xbox One, where you can take over the role of a real-life club star and do your best to win the FIFA Club World Cup. Check out the trailer above for more details on FIFA Story and how to get the game. All these real-life football stars are bigger and stronger than you, so you'll need to make them earn every single ball. And there's also less time to control the ball, so stay on your toes! New Features in FIFA Ultimate Team Customise your players, your stadium and more. FIFA Ultimate Team has now change your starting XI on the fly, and your man-of-the-match after each game. Be bold. Be daring. Build a stadium that's second to none. The new creative tools and stedium-building in FIFA Ultimate Team offer more than ever before to create a custom experience. Whether you want to build a stadium in a particular style to win fans, or create a crazy facility for your club with incredible features, you can do it. Select from a huge range of stadium designs, then play out your match in full motion capture repl
