• Developed by GungHo Online Entertainment (World), the developer of the popular titles Bond of Blood and Shinning Force, X-Rebirth, and Weki: Way of the Samurai 2, X Rebirth features the experience, charm, and power of the Bond of Blood and Shinning Force franchises that enjoy a wide following. More information is available at • Elden Ring boasts the graphics and functions of the Bond of Blood and Shinning Force series while maintaining the ability to be played by its casual user base. More information is available at ABOUT ELDEN RING LAUNCH The otherworldly tale of the Lands Between is set to finally unfold in X Rebirth! The Lands Between are vast, unknown lands in which people live on the verge of the next great conflict. Amidst the world's turmoil, the sight of flame gives rise to extraordinary and terrifying beings known as Wyrm. As an apprentice of the Elden Ring, guide the nascent hero, Tarnished, on a journey to become a hero worthy of his destiny. With the addition of 12 new jobs, X Rebirth also boasts an extensive array of content and improvements. From official opening of the X Rebirth beta service, X Rebirth becomes the first Bond of Blood and Shinning Force title to open the door to the game's world. Rise, Tarnished, and become an Elden Lord in the Lands Between! * Players can register for the beta service until October 31st, 2017. Please see the betas webpage for more details on the beta service, and for any questions regarding the beta service, please email info@elden-ring.com. * Players who have purchased the full game and are already enrolled in the beta service will not be able to access the beta service. The show itself runs from September 12–15, but we'll be live at Nintendo's booth (Hall 2) throughout the weekend. In fact, we're planning to have a little "sumo" tournament. But first, let's take a look at some recent Nintendo announcements. New Kirby Gets a Release Date September 20 will see the release of Kirby Star Allies, a hybrid version of Kirby and the classic 2D platformer that added Super Abilities to make Kirby more versatile in battle. Super Abilities consist of Hyper, which buffs Kirby's strength, Boost, which raises Kirby's jump height, and Shake, which creates a tornado that throws enemies into the air. Two characters have been revealed so far. Iko is here, the pet pig. Iko is a sentient pig, complete with a speech bubble and beat box, and he's the first character whose move set is revealed. In this mode, Kirby can crawl through a level, then jump and attack using the beat box he holds. Here's is a look at a stage featuring Iko's move set in action. Daichi and Eiji from The Legend of Zelda: Breath of the Wild are also confirmed to appear in the game. As usual, we'll have more information about Kirby Star Allies as it's announced. New
