A second feature also enhances gameplay. FIFA's "Next Gen Player Intelligence" analyzes every movement made by the 22 players who played in the game, learning to predict what they will do next and what an opponent could do. The "Ball Physics" feature in FIFA 22 allows individual players to take hold of the ball and conduct their own play. Improved ball physics allow players to run with the ball and make instant use of their speed and power when they receive the ball. The game's all-new "Momentum Control" feature for ball movement is the first time ever that a game has allowed individual players to control the ball's direction of movement. The Momentum Control system also allows for full control of ball direction, as well as the ability to create a faster, more dynamic pace with speed lines and positioning in a way that has never before been possible. FIFA 22 will be available for the PlayStation 4 system on Friday, September 22nd. FIFA Ultimate Team, a feature of FIFA Ultimate Editions, is also launching on the same day for PlayStation 4 and Xbox One. Pitch battles in the ultimate virtual stadium with this new mode which allows you to face off against 99 different opponents in every team game mode. Take your favourite players from your favourite football clubs onto the pitch in every game mode by customising your ultimate team. FUT Pro Clubs – This feature replaces the FUT Draft where you can create your perfect team by mixing your favourite players from each club. Choose from 101 licensed players, with 50 from each club. Real Madrid come from 8 leagues (La Liga, Copa del Rey, Spanish Supercup, UEFA Champions League, UEFA Super Cup, UEFA Europa League, Spanish Football League and Spanish FA Cup) and 18 clubs (Real Madrid, Barcelona, Atletico Madrid, Valencia, Athletic Club, Rayo Vallecano, Valencia, Gimnàstic de Tarragona, Deportivo La Coruña, Real Sociedad, Mallorca, Malaga, Deportivo de La Coruña, Levante, Sevilla, Getafe, Sporting Gijón, Sevilla FC and Racing de Santander) with more on the way. FIFA Ultimate Team Champions – Using your Ultimate Team skills and a yearly €1 billion prize pot, 32 of the world’s greatest clubs will compete head to head in an exclusive, gameplay-enhancing tournament that pits the world’s top competitors against each other in a series of group matches, culminating in the FIFA Ultimate Team Champions League, where the world’s best clubs will square off in a knockout single-elimination tournament. In FUT Ultimate Team Champions players will be able to earn more FUT Stars when collecting FIFA Coins which will be converted into either FIFA Ultimate Team Packs or additional FUT Points, which they can use to increase the potential ratings of their players. The final season of the FIFA Ultimate Team Champions Leagues will run from October 6, 2018 to April 5, 2019. FIFA Ultimate Team Seasons – This feature starts a new era in FIFA Ultimate Team gameplay. This exclusive UEFA Champions League structure has 32 clubs from over 14 different countries competing in the 14-month tournament with a prize pot of €1 billion. Every club in the competition will face off in the FIFA Ultimate Team Champions League and each tournament will be single elimination. Every club has the potential to face one of its clubs or teams from the last two seasons. A team will start the next season 0-0. MUT Classics – A collection of 24 classic matches
