The Lands Between are dead because the Parama were exiled by Yggdrasil, the creator of the world. The people of the world live on the eastern lands called Sharn, and the lands to the West, which used to be Eldar, called, Elden. Due to this sacrifice, the Elden people have lost hope. However, there is one hope – the Elden Ring Activation Code, a powerful relic that was given to the Elden people by the Parama, who disappeared four hundred years ago. The Elden Ring was kept in the Holy Blade Church, but their power is slowly waning and it is only a matter of time until the world is plunged into darkness. The Lands Between are wide lands. There are many enemies and dangers. If you want to enter, go and search for the Holy Blade Church. It is a dangerous place. Go alone, or with some friends. Due to Yggdrasil’s decree, the Elden people received an Elden Ring as compensation for the sacrifice of the Ea people, but the ring was kept in the Holy Blade Church. Evolving to New Life Four hundred years passed until the Young Silver Priestess Eos Enia decided to rescue the Holy Blade Church from the hands of the Holy Blade Church worshippers and take it to the Western Lands. There was an argument among the Elden people about what to do with the Holy Blade Church; they found the Elden Ring and revealed its power to Eos. The Elden Ring is a huge tool of power. Just by holding it, the person who holds it can do incredible things. That
