December 16, 2564 B.C. - Travel across Europe as the king of the roads, a trucker who delivers important cargo over impressive distances! You have to get from point A to point B, and in a limited time. You will need to transport anything from ordinary furniture to oversized cargo. In doing so, you should avoid the police, who will follow you all the way to your destination. At the same time, do not forget that on the tracks you can find a lot of interesting and useful items that can help you in difficult times - from fuel to spare parts for your truck.
